

## Exclusive Super Sake tournament powered by Fuze™

### Terms & Conditions

The Super Sake tournament will be held between Tuesday, March 26 (12:00 CET) and Wednesday, March 27 (12:00 CET).

**Mechanic:** Sum of Wins (Blitz tournament format)

### How much can you win within 50 rounds?

Players can compete in the tournament and win prizes by playing the qualifying game Super Sake. They must play at least one spin within the game to qualify for the tournament and have their score recorded on the leaderboard.

Each player has 50 spins at their disposal to climb the leaderboard rankings. Each win scored in the tournament counts toward the player's overall score on the leaderboard. Players with the three highest rankings (i.e., highest total win amounts collected) win the three main prizes.

The prizes for the three best players are as follows:

- 1<sup>st</sup> prize: 300 EUR
- 2<sup>nd</sup> prize: 200 EUR
- 3<sup>rd</sup> prize: 100 EUR

The prizes will be emailed to the winners as virtual prepaid voucher cards (Mastercard or Visa). Once activated, they can use it for online purchases. The prepaid card is available in EUR, GBP, and USD.
